

**John Welsh** (b. 1986)

Coronado High School

*Striped Man Attached to Circle, 2003*

ceramic and wood

18 x 18 inches

I have put my time into this artwork  
Because of this, to it I am connected  
The idiosyncrasies of my brain are  
responsible

I am grateful for these idiosyncrasies  
My purpose is simple  
If the spectator has any kind of a visual  
experience,  
The piece is a success  
Thank you for your time
