Purple Peace, 2003
water based acrylic on canvas
34½ x 24½ inches

Three wishes,
Purple peace,
A question mark leading all my paths,
Seeing soft white ovals speaking luscious lips,
Mind sending signals to the body,
A black record, music and a label,
Sound waves, listening to friends,
Hand waves, holding people near and dear.
Which way is the way to peace?
We're not finding the lost destination.
